

NORTH BAY CORVETTE ASSOCIATION
P.O. BOX 2012 SAN RAFAEL, CALIFORNIA 94903

WELCOME!

... to the North Bay Corvette Association. We are always happy to meet new people and introduce them to the joys of “Corvetteing!”

North Bay Corvette Association (NBCA) is a member club of the Western States Corvette Council, which helps us coordinate our autocrosses and concour with other clubs. This also helps members learn about other club’s activities, such as tours, rallies, parties, concours and autocrosses.

NBCA also hosts a social event each month. Some of our annual socials include Christmas Tree Cutting, Christmas Dinner and winery tours. Other socials may include progressive dinners, tours to parks or museums and more. We are a family group interested in fun for all. We are not a bunch of hot rod kids. We love our Corvettes and sharing Corvette adventures with others.

After each meeting, we meet over beer, wine or soda to socialize. All guests are invited and this is a good time to get to meet everyone away from the ‘formality’ of the meetings.

Why should you join North Bay Corvette Association?

For fun of course. Besides the camaraderie at different activities, membership offers you a chance to discuss problems or concerns about your car with others. Many members work on their own cars and are therefore a wealth of information. We also get a discount on parts and service through our sponsors; Toscalito Tires and others.

Membership requirements are simple:

- You must be a registered owner of a Corvette and be at least 18 years of age. Your car need not be running
- You must have a valid California Driver License and have a reasonably good driving record.
- If your Corvette is street driven, it must be insured to at least the California minimum liability limits.
- You must attend two functions, one of which must be a social event. This is so you get to know us as well as us getting to know you.
- You must pay your dues, initiation fee (1x fee) and WSCC membership when you turn in your application.

I hope you join North Bay Corvettes. The more people to share the joys of Corvetteing, the better. And remember, Save the Wave! I will be happy to answer any questions.

Karyn Kambur, karynkambur@wans.com, 415/516-3221
